

25th ROAD PAVEMENTS FORUM

Ocean View Hotel, Strand, Western Cape
7-8 May 2013

Resolutions

Resolution #1

- With respect to the planned negotiation with DMR and other bodies on the issue of Borrow Pits, that ASPASA be included in the exercise, and that ASPASA be tasked to work together with the COTO Road Materials Committee to resolve this critical issue

Resolution #2

- That the Skills Development Task Team be resurrected by the Sponsors to deal with the artisan and material testers training and development

Resolution #3

- That the requisite capacity building commensurate with the level of sophistication of SAPDM, the world class, cutting edge pavement design method, is ensured by its sponsors through tertiary institutions and appropriate industry courses.
