

ROAD PAVEMENT FORUM

05 November 2013

SARMA

JOHAN VAN WYK

The Southern Africa Readymix ASSOCIATION

We are for quality
Readymix Concrete

SARMA's VISION

"To make ready-mix concrete the construction material of choice"

SARMA's MISSION

To represent the interests of the industry

To promote the use of ready-mix concrete

To act as a forum* for members

(Opportunity, aid, discussion, meeting)

Building trust relations with key stakeholders

- Engineers
- Specifiers
- Students
- Contractors

Transforming the readymix industry

Partnering the communities surrounding existing and future readymix operations

- Existing members
- New operations

Audits

Safety

Health

Road

Environment

Quality

**STOP BEING AFRAID
OF WHAT COULD GO
WRONG
&
START BEING POSITIVE
ABOUT WHAT COULD
GO RIGHT.**

Remember!

SARMA encourages the use and application of quality products.

SARMA provides national representation through regional committees, with members in the major centres.

SARMA encourages best management practices!

Questions?

Thank You!
