

CAPSA '11

Champagne Sports Resort – 11 – 14 September 2011

ROADS OF THE FUTURE

"Living within the carrying capacity of our planet"

The conference will examine and demonstrate the commitment and capacity of producers and users of bituminous products to advance sustainable practice through the reduced reliance on non-renewable resources, care of the environment and assist in the sound development of society.

10th CONFERENCE ON ASPHALT PAVEMENTS FOR SOUTH AFRICA

Format of the Conference

- Back to the traditional CAPSA format
 - Refereed Papers
