

# *29<sup>th</sup> ROAD PAVEMENTS FORUM*

*SSISA, Cape Town, Western Cape*  
*12-13 May 2015*

*Resolutions*

# *Resolution 1*

- That a national LTPP programme be established for EME-pavements
- That a task group be established for the production of guidelines for long-life, heavy-duty pavements

## *Resolution 2*

- That with respect to the implementation of “Green~Roads” (in its broadest sense):
  - Minimum standards for sustainability be embedded in Volume 7: Standard Environmental Management Plan
  - A section on sustainability be incorporated in the proposed Road Policy, including recommendations on self and third-party accreditation assessment schemes
- Support for the above will be provided by the current membership of the Green~Roads Board Members and feedback will be provided at the next meeting of the RPF for endorsement

## *Resolution 3*

- That an RPF Working Group be convened by the RPF Sponsors to review and comment on the draft Road Policy
- Feedback to be provided at the next meeting of the RPF

# *Next Meeting*

- Dates
  - 10-11 November 2015
- Venue
  - CSIR ICC, Gauteng
