

34th ROAD PAVEMENTS FORUM

CSIR International Conference Centre

14-15 November 2017

(ECSA CPD No. SARF17/RPF34/20)

Resolutions

Resolution 1

In support of COTO initiatives:

- That an RPF working group on the maintenance and upgrading of unpaved roads be established
- That the RPF working group on heavy-duty pavements be reactivated

Resolution 2

- For the RPF Sponsors:
 - to develop a digital strategy for the wider dissemination of knowledge (e.g. video streaming), especially to emerging consultants and contractors
 - to approach CESA to become a sponsor member of the RPF

Resolution 3

- That the next RPF should devote more attention to the design, construction, maintenance and management of low-volume roads

Next RPF Meeting
