

PUBLIC PRIVATE GROWTH INITIATIVE

**BUILT ENVIRONMENT
IMPLEMENTATION SECTOR**

PROVIDING THE FOUNDATION OF ECONOMIC GROWTH

PUBLIC PRIVATE GROWTH INITIATIVE

- The PPGI is an initiative between Government and the Private Sector.
- Model focuses on Sectoral engagements to address inhibitors and amplify successes.
- PPGI is a facilitation initiative
- PPGI is NOT a member organisation.
- PPGI is facilitating for 23 Sectors

PUBLIC PRIVATE GROWTH INITIATIVE

The main purpose of this initiative is:

- to incite rapid growth in the SA economy
- to rebuild and strengthen a relationship of trust and cooperation between the private sector and the government sector

PPGI and COVID 19

PPGI Last 'normal engagement with the President on 17 March albeit in limited number and sectors.

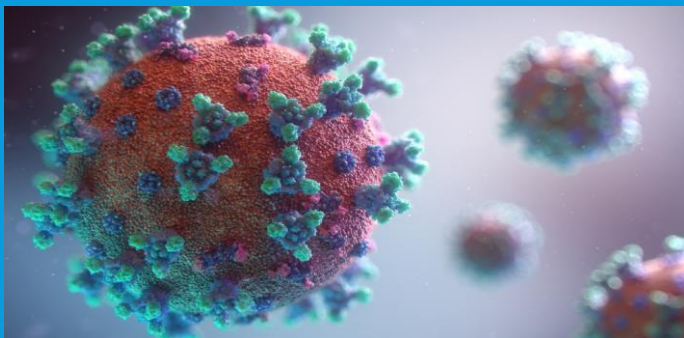

- Built Environment was present:
- Infrastructure Development on the agenda

Then COVID 19

PPGI and COVID 19

Level 5

- PPGI called on sectors willing to participate in a Covid19 response
- Conducted sector surveys and compiled a strategy document for deliberation with government

Economic value summary

Note: domestic workers are not included in the analysis but are a significant source of employment, accounting for approximately 1.3 million employees.⁶

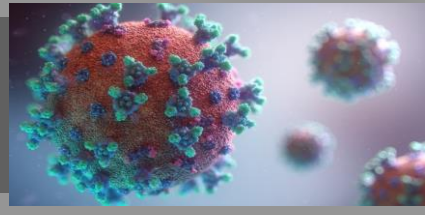

Sectors	GDP contribution (%) ¹	Employment contribution (%) ²	MSME intensity ³	Economic linkage intensity ⁴	Exports ⁴	% operational ⁵

PPGI and COVID 19

Please use the tools if they work for you.
Please be safe going back to work

NEW NORMAL: PPGI GOING FORWARD

1. The sector is ideally suited to assist in driving South Africa out of this low growth stagnation in alignment with the NDP.
2. Concurrently supporting further accelerated growth and immediately reducing youth and unskilled unemployment
3. Through the multiplier effect downstream industry and manufacturing growth and employment initiated.

Return to Growth BIG JOBS CREATION DRIVE

REMOVAL OF SECTOR INHIBITORS:

Demand Side:

- Loss of State Technical Capacity and Competency
- Drop off in Expenditure
- Fair, Legal, Honest, Competitive and Effective Procurement

REMOVAL OF SECTOR INHIBITORS:

Supply Side:

- Late Payments
- Loss of Existing Skills and Enforced Employment Equity
- Construction Mafia
- Centralised Government Custodianship of the Sector

THANK YOU
