SANRAL

SARF

WHY

- There is no single platform for concrete for roads & related structures in SA.
- Significant volume & extent of concrete pavement & related structures, particularly from SANRAL.
- Generate more knowledge, expertise & capacity.
- Technology transfer as well as knowledge embedment.
- Generate new research needs.

FOCUS AREAS

- **Structures:** Kevin Volmink + Mohamed Parak
- **Pavements:** Bryan Perrie, Benoit Verhaeghe, Salome Naicker + Krishna Naidoo (ER)
- **Tunnels:** Tiago Massingue + Roger Dickson
- **Barriers:** Mpho Nephembani + Josh Padayachee
- **Cross cutting:** Cement, Concrete, Aggregate
